House La Garde-Freinet

In a sought-after area of La Garde-Freinet, this lovely Provençal villa built in natural stone is situated in quiet surroundings, yet close to the village. The villa gives you a wonderful holiday feeling with a spacious open living room opening onto the terraces, via several French doors, and gives you a stunning view of the surrounding hills and the tennis court. The tennis court lighting is solar-powered, so it is possible to play in the evenings during the warm summer months. The swimming pool has salt water. The renovations in the house are done in an authentic manner. The bathrooms are all new but done in the old Provençal style. The equipped kitchen is manufactured by hand and has a special lava counter top, blending in perfectly with the style of the house. By the kitchen is another terrace equipped with a "breakfast" table and under the cane canopy, a large dining table for convivial lunches and dinners. Direct access to the pool with its sun terrace. The villa has 5 bedrooms, 3 bathrooms, a laundry/storage room. One bedroom with a shower room en-suite is on the garden level, as well as the vast living room with a fireplace, a separate toilet, a totally equipped kitchen and a scullery. On the entrance level there is the mezzanine looking down onto the living room and is now used as a music area. It connects the entrance hall with 4 bedrooms, a bathroom and another shower room. The property contains 1.1557 HA of land, is connected to city water, has a garage, an electric gate, a well, air-conditioning and an
