Village house La Garde-Freinet

A large authentic French village house in the centre of La Garde-Freinet. The house is pleasant and spacious in a typical Provençale style. At the top of the house is the tropeziènne terrace, next to the open-plan kitchen, which is half-covered and a very pleasant area with a dining table. Adjacent is the fully equipped kitchen and a large living/dining room with lovely views of the village, the church and the mountains in the distance. The four bedrooms are on the second floor with the only bathroom, two large bright double bedrooms with plenty of storage, and two single bedrooms with 120 cm beds. Moving down to the first floor, there is a second lounge/library, a quiet space for reading, studying or whatever... At the bottom floor of the house is the garage for a small car and scooter.
