Nestled on top of a hill with fantastic views, this beautifully restored Provencal villa stands proud amongst the vineyards. Breathtaking 360° views of the Gulf of Saint-Tropez and the surrounding hills with the villages of Grimaud, Cogolin, Saint-Tropez, Sainte-Maxime and vineyards. A tranquil setting, enjoying complete privacy, yet only minutes from the glitz and glamor of the French Riviera. This beautiful villa offers 7 bedrooms, all with en-suite bathrooms plus a staff studio for 2. Each bedroom opens onto terraces with views and there are several seating areas around the house where you can enjoy the rising sun or fantastic sunsets. The dining room can accommodate at least 12 people, as does the kitchen, which is fully equipped. The kitchen gives a beautiful view as well and is equipped with a Jura coffee machine, a "Kitchen Aid" toaster and blender, 5 professional gas burners, an integrated fryer, 2 ovens, 2 dishwashers, a wine cellar, an American refrigerator plus a walk-in professional cold room, a second fryer and a microwave oven. The whole opens onto a terrace which can also accommodate at least 12 people and has a superb view of the surrounding area. A 6 m x 12 m heatable swimming pool, a fully equipped professional summer kitchen with, amongst other things: an ice maker, dishwasher, refrigerator, a bar and a large screen TV to watch sports events, a pool house and vast surrounding terraces.
